

Executive Biography

Craig O. Morrison

Chairman, President and CEO
Momentive Performance Materials
Holdings LLC

Craig Morrison is Chairman, President and Chief Executive Officer of Momentive Performance Materials Holdings LLC, and its operating subsidiaries, Momentive Performance Materials Inc. and Momentive Specialty Chemicals Inc.

Craig joined Borden Chemical, one of the companies that merged to form Hexion, as President and CEO in 2002. He led the effort to combine Borden Chemical, Bakelite AG, Resolution Performance Products and Resolution Specialty Materials to form Hexion, the second largest North American-based specialty chemical company.

Prior to joining Hexion, Craig served as President and General Manager of Alcan Pharmaceutical and Cosmetic Packaging, a division of Alcan Inc. Craig was also President and General Manager of Van Leer Containers Inc., served as a management consultant with global business consulting firm Bain & Company, and worked in a variety of management roles within General Electric Plastics. He served in the United States Marine Corps as a pilot and captain.

Craig received his bachelor's degree from Eastern Kentucky University and his master's degree in business administration from Harvard University.
